<input type="checkbox"/> 15" latex	<input type="checkbox"/> 3 colours	_____	
Print Sides	<input type="checkbox"/> 4 colours		
<input type="checkbox"/> 1 side	<input type="checkbox"/> 5 colours		
<input type="checkbox"/> 2 sides			

Represents the approximate available print area and does not show on final product.

****Please note that some small details may at least be partially filled in and some movement may occur between print colours.**

Placement and size of the design is approximate. If parts of the artwork appear outside this boundary, they will still be printed in full. With all print onto latex balloons, we cannot guarantee a pantone colour match with 100% accuracy and results may vary.
